

SUPER SWIMMER RULES & REGULATIONS

The purpose of the “Super Swimmer” is to allow children aged 10 to 13 to be able to swim unsupervised.

We recognise that there are children in this age range who are capable swimmers and should not require an adult to be present in the pool to supervise them. However, there are a number of guidelines as to how this privilege should be enjoyed.

1. Children **must** be aged 10 and above.
2. **Parents must be ‘on site’** whilst children are in the pool and must not be left unattended in the building.
3. **Swimmers must ‘check in’ at reception.**
4. **Super swimmer cards must be presented to the lifeguards on arrival and collected on departure.** If you do not have your card with you, you will not be allowed use of the pool unless your parent or guardian is with you.
5. **Bad behaviour will not be tolerated.** Behaviour such as shouting, ignoring the lifeguard/teachers, diving, fighting etc will result in a warning, with a corner of your card being cut off. Once all corners are removed you will not be allowed to enjoy this privilege.
6. Please be respectful and considerate to other pool users.
7. Although we endeavour to have a lifeguard on duty at all times, there will be **no admission if there is no lifeguard on duty.**
8. Groups will be limited to a **maximum of 4 children at any one time.**
9. Children **must not swim in the adult lane.**
10. Correct swimwear must be worn at all times.
11. **No food or drink** except water in clear plastic bottles may be consumed on poolside.
12. **The sauna and spa are not to be used by children under 14 years old.**
13. Super Swimmers should be aware of, and adhere to, the Pool usage rules which are posted in each set of changing rooms.
